

Expats definition: UK National living overseas in an acceptable country

After Tracker or Fixed period, Expat loans revert to the Standard Variable Rate (SVR) for the remainder of the term. SVR: BOE + 2.69%.

BoE Tracker		Fixed ²		Buy Down Specials	
A variable rate mortgage that 'tracks' with the Bank of England base rate, plus a consistent Margin. The tracker moves according to BOE rate adjustments.		Lock in your Interest Rate for 1, 2 or 5 years. ERCs apply if redeemed during fixed period.		Buy down your interest rate with upfront product fee. The lower interest rate allows you to increase your borrowing capacity. Product fee may be eligible for a partial refund if loan is redeemed within 48 months.
